TRIP STYLE

Guided own-4x4 convoy · Small groups · Remote camps · Fishing and exploration combined

PRE-TOUR ARRIVAL & ANGOLA DAYS 1–3

From the Highlands to the Atlantic

ARRIVAL

Palmeiras Lodge, Oshikango

SEPARATE PRE-TOUR DAY · GROUP BRIEFING 17:00–18:00

Arrive during the day, meet the group and prepare for the expedition. The final group briefing takes place around 17:00–18:00 and covers the route, vehicle checks, radios, border paperwork and preparations.

DAY 1

Santa Clara – Lubango – Leba Plateau

FIRST DAY IN ANGOLA · BORDER · HUÍLA HIGHLANDS

The following morning, cross into Angola and travel through the southern highlands towards Lubango and Humpata. Continue to the Serra da Leba area for the first night in Angola.

DAY 2

Leba – Namibe – Flamingo Coast

MOUNTAIN DESCENT · SUPPLIES · FIRST FISHING OPPORTUNITY

Descend Serra da Leba towards the desert and replenish supplies in Namibe before continuing to the coast. Settle into camp and, conditions permitting, enjoy the first afternoon fishing session.

DAY 3

Flamingo Coast

A FULL DAY OF SURF FISHING

Dedicate a full day to surf fishing. Exact fishing areas and target species are selected according to season, water temperature, sea conditions and local knowledge.

ANGOLA DAYS 4–7

Into the Remote South

DAY 4 Flamingo Coast – Tombua – Vanessa Shipwreck

COASTAL FISHING · REMOTE BEACHES · WILD CAMP

Travel south through Tombua and onto the increasingly remote coastline. Fish selected stretches en route before reaching the Vanessa Shipwreck for a wild camp beside the Atlantic.

DAY 5 Flamingo Coast – Beach Fishing

A FULL FISHING DAY BEFORE THE DOODSAKKER CROSSING

Spend a full day beach fishing on the Flamingo Coast, between Namibe and the entrance to Doodsakker. Select the exact stretch according to fishing, weather, sea conditions and safe access.

DAY 6 Vanessa – Doodsakker – Foz do Cunene

SIGNATURE 4X4 CROSSING · TIDE-LED TRAVEL

Complete the Doodsakker / Death Acre section when tides and beach conditions allow safe passage, then continue towards the Cunene River Mouth. Fishing on arrival depends on timing and conditions.

DAY 7 Foz do Cunene

FIRST FULL FISHING DAY

Spend a full day exploring and fishing the Cunene Mouth's surf and river-mouth areas. Select sessions and fishing positions around the conditions rather than a fixed clock schedule.

The crossing is part of the adventure. Safe access always comes first.

ANGOLA DAYS 8–10 & HOMEWARD DEPARTURE

Through Iona, Then Home

DAY 8 — Foz do Cunene

SECOND FULL FISHING DAY

A second dedicated day gives the group time to respond to the fishing. Adjust tactics, try different water and make the most of the area without immediately packing up and moving on.

DAY 9 — Cunene – Iona National Park – Namibe

DESERT JOURNEY · NAMIBE

Travel through Iona National Park's desert landscapes and return to Namibe. Overnight arrangements depend on the group; a hotel stay is not fixed.

DAY 10 — Namibe – Lubango – Oshikango

FINAL ANGOLA DAY · AFTERNOON BORDER CROSSING · FAREWELL

Travel via Lubango and Santa Clara, crossing into Namibia in the afternoon. Overnight at Palmeiras Lodge, Oshikango, with a farewell evening after the ten-day Angola tour.

DEPARTURE — Leave for Home

THE FOLLOWING DAY · SEPARATE FROM THE ANGOLA TOUR

After the farewell evening and overnight stay at Palmeiras Lodge, clients leave for home the next day. With the pre-tour arrival day, the overall trip is twelve days.

EXPEDITION NOTES

Fishing locations and session times depend on tides, swell, wind, current and local conditions.
Travel with suitable surf-fishing tackle, personal camping equipment and an expedition-ready 4x4 unless your booking package specifies otherwise.
The guide may adjust timing and the route sequence to accommodate border procedures, local access and safe passage through Doodsakker.

FISHING HIGHLIGHTS

The Fishing Is Why We Go

Dedicated Flamingo Coast fishing between Namibe and the entrance to Doodsakker, plus two full fishing days at Foz do Cunene.

Time to Fish

Dedicated days on the Flamingo Coast and at Foz do Cunene give fishing its place in the itinerary.

Conditions-Led Decisions

Fishing areas and session times respond to the sea, the weather and local knowledge.

Adventure Between Sessions

The pass, shipwreck, coastal crossing and Iona return make travelling part of the experience.

We fish the conditions, not the clock.
